www.ferncove.com

About Us:

Owners Gerald and Mary Ann Denney give glory and honor to their Lord and Savior, Jesus Christ for the beauty He has created on their farm. They would like to invite you to listen for His voice and draw closer to Him as you tour the gardens. He can be seen in every flower, felt in every ray of sunshine and heard in every breeze, for this is His home, dedicated to honor Him.

Visiting the Farm:

We no longer have fixed hours at the farm so **please call before you come to make an appointment.** We can accommodate most schedules as long as we know when you are coming.

Self Guided Tours are welcome on Sundays during the Spring and Summer months

Directions:

From Atlanta:

- Take I-85 South past the airport to Exit #56 Palmetto/Collingsworth Road.
- Take a right off the interstate and go about 3 miles to the stop sign at the rail road tracks.
- Turn right onto Hwy. 29 and go 1/2 mile to the second road on the left.
- Turn left onto Tommy Lee Cook Road and go about 8 miles to the 4-way stop at the fire station.
- Turn left onto Jim Starr Road and the farm is the 2nd driveway on the right.

From Newnan or South of Newnan:

- Take I-85 North to Exit #47 Newnan/Shenandoah.
- Take a left off the interstate onto Hwy. 34 West (Bullsboro Drive).
- Turn right at the KFC onto Newnan Bypass Road.
- Go 4-5 miles to Roscoe Road/ Hwy 70.
- Turn right onto Roscoe Rd. and go about 8 miles to Jim Starr Road.
- Turn right onto Jim Starr Rd. and go straight through the 4-way stop.
- The farm is the 2nd driveway on the right after the 4-way stop.

Please call before you come!

Planting & Growing Hints:

It is best to have beds prepared before purchasing day-lilies but they are hardy, even if left unplanted for a day or two.

- To prepare beds, choose a sunny spot (at least 5 HR. sun/day). The darker colored blooms tolerate more shade than lighter colors.
- Plant 18 in. apart. Work soil well 18 in. deep and amend with Nature's Helper or organic matter (sand helps to condition red clay). We fertilize new beds with Miracle Grow and bone meal (1 handful of each in each hole mixed dry with dirt).
- Make a mound inside hole and spread roots over top of mound, making sure ends don't turn up (1 daylily/hole). Cover roots lightly to the crown after planting.
- In Feb., top dress with 9 month Osmocote on top of ground around plants. Mulch well with pinestraw.
- METAL TAGS: from EON IND. PO Box 11, Liberty Center, OH. 43532 419-533-4961

Abbreviations:

DOR=dormant in winter
EVR=evergreen in winter
SEV=semi-evergreen
HFI=hold for increase

E=early bloomer
M=mid season bloom
L=late bloomer
RE=repeat bloom

- **Peak bloom is June in this area, but E,L & Re extend blooms from late May through July.**
- **Daylilies can be planted any month except Dec. & Jan.**
- **DON'T FORGET OUR ORNAMENTAL GRASSES**
